

Phase Transformations During Irradiation

by Frank V Nolfi

Phase transformations in iron-irradiated Zircalloys Surface texturing of silicon using femtosecond (fs) laser irradiation is an attractive method for enhancing light trapping, but the laser-induced damage that occurs . Phase transformations during irradiation - Google Books Radiation may affect the course of a phase transformation in many ways, ranging from such a simple effect as enhanced diffusion or solute segregation to more . Phase transformation induced by swift heavy ion irradiation of pure . Phase Transformations During Irradiation: Frank V. Nolfi Irradiation-induced phase transformations in zirconium alloys. L. M. Howea, D. Phillipsa, A. T. Mottab and P. R. Okamoto. aReactor Materials Research Branch, Irradiation-induced phase transformations in zirconium alloys Phase transformations in Ln₂O₃ materials irradiated with swift . 22 Oct 2012 . Surface texturing of silicon using femtosecond (fs) laser irradiation is an attractive method for enhancing light trapping, but the laser-induced Effects of Radiation on Materials: Twelfth International Symposium . - Google Books Result Phase transformations during irradiation by Frank V. Nolfi, Jr, ISBN-13 9780853341796, ISBN-10 0853341796, Publisher London : Applied Science, 1983.

During irradiation at 300-400°C there should be no thermodynamic driving force for Cr segregation in the Fe5%Cr alloy and very little if any in the Fe10%Cr alloy . Phase transformations and compound formation during ion . 12 Oct 2012 . Simulating phase transformations during the welding of ferritic steels Representative thermo-mechanical cycle in ferritic steel welding processes. . steels . Towards realisation of novel semiconductor radiation detectors. Phase transformations during irradiation - HathiTrust Digital Library 22 Apr 2014 . via a Local Phase Transformation by Low-Energy Proton Irradiation the local phase transformation of an oxidic, paramagnetic phase in a The origins of pressure-induced phase transformations during the . Phase transformations during irradiation / edited by Frank V. Nolfi, Jr Subjects: Phase transformations (Statistical physics) · Radiation chemistry. Physical Radiation-Induced Phase Transformations in Ilmenite-Group . - OSTI Buy Phase Transformations During Irradiation by Frank V. Nolfi (ISBN: 9780853341796) from Amazons Book Store. Free UK delivery on eligible orders. Study of the irradiation-induced ? ? ? phase transformation in . 3 Nov 2015 . Phase transformations induced in the cubic C-type lanthanide sesquioxides, (Ln = Sm, Gd, Ho, Tm, and Lu), by dense electronic excitation are Effects of Radiation on Materials: 15th International Symposium - Google Books Result Phase transformations during irradiation. Front Cover. Frank V. Nolfi. Applied Science Publishers, Jan 1, 1983 - Science - 363 pages. Simulating phase transformations during the welding of ferritic steels . ?Phase transformation and impurity redistribution during pulsed laser . 12 Aug 2009 . An atomic-crystallographic mechanism is proposed for the ? ? ? transformation during irradiation. The mechanism is based on the Thermal Crystallization and Electron Irradiation Induced Phase . Physics of Radiation Effects in Crystals - Google Books Result In this paper, the 120 keV Ar⁺-ion-irradiation-induced phase transformation from the Al₆₂Cu_{25.5}Fe_{12.5} icosahedral quasicrystal (IQC) to B₂(CsCl)-based Ar⁺-ion-irradiation-induced phase transformation in an Al₆₂Cu₂₅ . Transformation in Monoclinic Nano-Sized Zirconia. Fengyuan Lu and grain size affect phase transformation processes upon irradiation. Energetic ion beam Radiation Damage of Structural Materials - Google Books Result This paper summarises new results which illustrate some important concepts in phase transformation and compound formation under ion irradiation. Firstly, the Phase transformations during irradiation / edited by Frank V. Nolfi, Jr Phase Transformations During Irradiation: Amazon.co.uk: Frank V Radiation-Induced Phase Transformations in Ilmenite-Group Minerals. J.N. Mitchell, N. Yul, R. Devanathan2, K.E. Sickafus, M.A. Nastasi, and K.J. McClellan. profoundly altered by iron irradiation during the in-reactor service.*. Despite the radiation-induced phase transformation is involved in the evolution of the Temperature and Size Effects on Radiation-Induced Phase . Narayan J, White CW, Holland OW, Aziz MJ. Phase transformation and impurity redistribution during pulsed laser irradiation of amorphous silicon layers. J. Appl. Radiation as a tool in understanding phase transformations - Springer Phase Transformations During Irradiation [Frank V. Nolfi] on Amazon.com. *FREE* shipping on qualifying offers. The origins of pressure-induced phase transformations during the . Phase Transformation Behavior in Zr_{66.7}Cu_{33.3} Metallic Glass. Takeshi Zr₂Cu phase through the amorphous state during electron irradiation. The unique Fundamentals of Radiation Materials Science: Metals and Alloys - Google Books Result Phase transformations during irradiation in SearchWorks It is now unambiguously established that high electronic energy deposition (HEED), obtained by swift heavy ion irradiation, plays an important role in the . An Array of Ferromagnetic Nanoislands Nondestructively Patterned . 1983, English, Book, Illustrated edition: Phase transformations during irradiation / edited by Frank V. Nolfi, Jr. Get this edition Phase transformations during irradiation by Frank V. Nolfi, Jr, ISBN Radiation-induced Changes in Microstructure: 13th International . - Google Books Result Multiscale modelling of radiation damage and phase transformations ?Phase transformations during irradiation. Language: English. Imprint: London ; New York : Applied Science Publishers, c1983. Physical
